At work we have never had a problem until recently. We use bottled water and fresh ground coffee. Fresh brewed coffee started making the creamer some of the ladies used curdle. So I changed the coffee to a different type that I had on hand and it still happened. I changed coffee filters and it still happened.

The mystery of the creamer curdling in coffee. - Coffee ...

Our little island did so well for a while, we went a whole month with no new cases. . . but now, things relaxed, and there have been eleven new cases this last week! So we had fun driving around town and looking at the sweet old houses and gardens . . .

No offense, but Stan Parish is probably having a better summer than you. He just published his second novel, Love and Theft, and for his birthday — he celebrated 37 in Barcelona — the New York Times handed down a rave review by Adam Sternbergh, who happens to be a long-admired influence of Parish's. "They sent me the text for that review on my birthday," says Parish, "which was a ...
