### **Beyond Totalitarianism Stalinism And Nazism**

These essays rethink the nature of Stalinism and Nazism and establish a new methodology for viewing their histories that goes well beyond outdated twentieth-century models of totalitarianism, ideology, and personality. They offer a new understanding of the intertwined trajectories of socialism and nationalism in European and global history.

...

Michael Geyer and Sheila Fitzpatrick's recent work, *Beyond Totalitarianism: Stalinism and Nazism Compared*, fits well within this trend, of looking at this contested notion in a new light. Geyer and Fitzpatrick assert that it is possible to compare Nazism and Stalinism on more equal terms than ever before, and that it is finally possible to begin thinking historically about Stalinism and Nazism.

Most attempt to place Nazi Germany and Stalinist Russia in their European and global contexts. The contributors to Beyond Totalitarianism offer pithy, thought-provoking comparisons between the two regimes. Yoram Gorlizki and Hans Mommsen assert that the Soviet regime focused on state-building, forging a stable governing situation, whereas the Nazi regime privileged

The onset of perestroika and the collapse of the Soviet system promised to redress a long-standing imbalance in the study of Stalinism and Nazism. Previous restrictions on archival access and on the openness of official Soviet discourse had meant that the corpus of credible academic research on Stalinism had lagged behind the equivalent scholarship on the Nazi system.

that "when it comes to one-on-one comparison, the two societies and regimes may as well have hailed from different worlds".

### **Red fascism - Wikipedia**

Totalitarianism is a term for a political system or form of government that prohibits opposition parties, restricts individual opposition to the state and its claims, and exercises an extremely high degree of control over public and private life. It is regarded as the most extreme and complete form of authoritarianism. In totalitarian states, political power has often been held by autocrats who ...

### **Totalitarianism - Wikipedia**

This directly conflicts with totalitarianism's monopolization of ideology governing all ideas in the vital fields of philosophy, science, history and the arts, as well as every medium for disseminating that (Certeau, p. 8). In these two Lewis books, an
