So even here, where much of the substance of Calvin's Christology is laid to hand, there is a certain bafflement about the order and logic behind the substance. 9 Calvin's adherence to the Reformation platform of sola Christi commits him to a certain Christocentrism in his theology, at least on a material if not on a formal level. His recollection of Bernard's counsel of the centrality of Jesus-talk to any reflection on God and the world serves as his earnest to make good on that ...

**Calvin's Christology**  
Calvin describes the person and work of Jesus Christ in three ways: in light of his office as Mediator; his threefold office as Christ; and his obedience, including his life, death, resurrection, ascension, and coming in glory. The office of Mediator is related to the purpose of human creation in Adam.

Calvin Explains Chalcedonian Christology in Two Paragraphs. After much controversy and struggle in the Church, the Council of Chalcedon (451 AD) put out a formal definition on person of Christ, regarding his full divinity, humanity, and the union of the two natures. While not exhausting the depth and beauty of the person of Christ, it lays down important boundaries within which theologians must stay if they are to properly teach the glory of the Son who took on flesh for our salvation.
