Coaching Softball Technical and Tactical Skills

Coaching Softball Technical and Tactical Skills is a 5-unit book with 10 chapters. The units include teaching and evaluating, teaching technical skills, teaching tactical skills, planning for teaching, and game coaching. Unit 1 focuses on teaching and evaluating the players in practice. The authors explain that coaching means teaching the action right and then evaluating the action that the players are doing to make sure they are doing it correctly.

Coaching Softball Technical and Tactical Skills

Defending the offence effectively is critical to the success of your own offence. Basic softball defensive strategy and tactics is a look at the fundamental defensive components of the game. I have always said that if you can keep your opponents from scoring you only need 1 run to win the game. I am a firm believer in the defense first theory and spent a lot of time on the field with my teams ...
