or equally.

Will the House Have to Be Sold if You're Divorcing ...

By Stephanie Kurose, J.D. You can still get a divorce even if your spouse does not want one. States do not force a couple to stay together if one person no longer wants to be married. However, it can definitely complicate the process if the other party does not want to go through with it.

How to Get a Divorce When One Spouse Won't Agree ...

Obviously, you're not going to get more in the divorce than you had when you were married; it just doesn't work that way. Think about it logically for a minute. In divorce, you can only divide the things you already had, so you'll automatically have less (by about half) than you had during the marriage.
