There are many options available to authors these days, for both print and ebook formatting. You can do it yourself and keep control, or you can hire others to do it for you. Consider cost and timings for publication, as well as options for updates later (as there will be an inevitable typo or two!).

Book Formatting for Ebook and Print Books | The Creative Penn

This is not to say that all DIY patent resources are without value. David Pressman's "Patent it Yourself," for example, gives practical advice while also spelling out the risks and responsibilities of going it alone. But even in the case of the best of books, a little knowledge can become a dangerous thing. Not all patents are alike.
