### **Early Childhood Education Initiative - United Way of ...**

Children's language and literacy competence does not begin when children enter school—Children's literacy learning starts well before formal schooling, and studies have shown that children are sensitive to speech even prenatally (e.g., Moon, Lagercrantz, & Kuhl, 2013; Partanen et al., 2013). Parents and primary caregivers (subsequently referred to as parents) are highly influential in a child's early learning as parent-child interactions are frequent and ongoing.
