Bank errors are infrequent. The Cash Book and pass book / bank statement are prepared separately. The Businessman prepares the cash book and the pass book is prepared by the Bank (here by cash book we mean two or Three Column Cash Book). But as both the books are related to one person and same transactions are recorded in both the books so the balance of both the books should match i.e. the balance as per pass book should match to balance at bank as per cash book.
