It's worth remembering that absence of a price tag doesn't necessarily mean that the book is in the public domain; unless explicitly stated otherwise, the author will retain rights over it, including the exclusive right to distribute it. Similarly, even if copyright has expired on an original text, certain editions may still be in copyright due to editing, translation, or extra material like annotations.

Financial Accounting Williams Haka 14th

With the fourteenth edition of Financial and Managerial Accounting: The Basis for Business Decisions, the Williams author team carries on the tradition of being a solid foundation for students learning basic accounting concepts. Through the revision, the authors have further refined the financial accounting topics, while slightly expanding the managerial accounting material to provide even more balanced coverage.
