Future Inc How Businesses Can

"Future, Inc." translates the proven techniques of professional futurists into accessible language and shows how to: identify what is and what isn't changing at a given time, and how even small changes will affect whole businesses; use forecasting - not "predictions" - to pinpoint tomorrow's realities by looking at today's trends; employ scenarios to test the validity of potential strategies.

Future Inc: How Businesses Can Anticipate and Profit from ...

I just finished reading Eric Garland's Future Inc.: How Businesses Can Anticipate and Profit from What's Next and I think it is excellent. Garland steps you through the process of viewing the world as a system, recognizing trends, developing scenarios, drawing pictures to make those scenarios easier to communicate and then actually communicating the future to your target audience.
