This section of the syllabus should be based on the drawing and design of simple buildings, like
small dwelling houses, including the types of dwellings to be found in rural and urban areas, sheds,
small workshops or school buildings. 5.5 Design and Communication This section should be treated
as an integral part of the whole syllabus.

Under the "accept" of a file input, there can also be a definition of the general type of the files for
selection. For example, if you put "image/*" under the "accept" attribute, the limitation will cover all
the standard file formats (gif, jpeg and so on) for images and not just the type(s) by extensions.
