professional traders would prefer to sell vol going into earnings. It appears that the Big trade that sparked media attention on Reddit and Youtube was fake because the guy behind it was using a Demo account.

High Probability Trade

Perhaps I'm an easy sell; four years day trading and just starting to learn the ropes. This is the second trading book I've engaged with in depth. The first was John Carter's Mastering the Trade which was great and seemingly a hard act to follow. High Probability seemed drier and more distant at first. Now I'm awed by it.
