During those times that I conducted fuel economy tests on my 2001 4JX1 Trooper, I think I got about 7.4 km./liter for city driving, and roughly 8.6 km./liter for combined city and provincial-highway driving. I don't believe those fuel economy figures of Troopers and other Isuzu vehicles as heralded by Isuzu during their so-called economy runs.

As far as fuel consumption goes, you need to bear in mind that even though it's a four-cylinder diesel engine doing the work, you're actually asking quite a lot of it when you're towing a caravan at highway speeds. With that in mind, you can forget about the official combined figure of 7.8 litres per 100km.
