Most free books on Google Play are new titles that the author has self-published via the platform, and some classics are conspicuous by their absence; there's no free edition of Shakespeare's complete works, for example.

Its All Your Fault A

Bill Eddy's It's All Your Fault is a must-have book for anyone (and that is most of us) who have what he calls High Conflict People in our lives. What makes this book so valuable is that it isn't a psychology book, even though he does briefly write about the origins of the personality disorders that HCPs suffer from.
