**Its Time To Feed The**

Time to Feed has two targets: a creature an opponent controls and a creature you control. If only one of those creatures is a legal target when Time to Feed tries to resolve, the creatures won't fight and neither will deal or be dealt damage. If the creature you don't control is the illegal target, you won't gain life when it dies. 9/15/2013

If you feed breakfast, skip it occasionally or at times when the weather is very hot for several days in a row. Consider fasting once a week; or partial fasting such as giving your dog just one nice smaller juicy raw meaty bone to chew in the late evening or early morning in nice cool shade.

**Feeding Tips For Hot Summer Days - Dogs Naturally**

Feeding a puppy all it can eat at one time is called 'ad libitum' or 'free choice' feeding. This is not recommended as it can create juvenile obesity, binge eaters, as well as set the stage for some orthopedic problems and diabetes. Over-eating at any one meal can also cause stomach discomfort and bloating causing slower digestion.
