Fixed-Rate Mortgage. You'll pay the same amount on a month-to-month basis with a fixed-rate. That's great if you don't want to worry as the rates fluctuate up and down. You can spread your rate over a 30-year term—or longer, in some cases—to shorten the term. Longer terms make for smaller monthly payments.

3 Key Features When Looking For A Mortgage

Characteristics of bank mortgage. Mortgage relates to immovable properties. Properties mortgaged should be specified by the mortgagee in the mortgage deed. Such specification can be done by mentioning the name, location or size of the property. A mortgage is the transfer of an interest in the specific immovable property.
