In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's

The DMS digital Holter recorders use SANDISK Compact Flash Cards as a recording medium. This technology allows the ECG recording to be substantially better than cassette recordings. The use of flash cards allows for exact sample location throughout the Holter recording. The R-wave peaks, P-waves and ST Segment are
