Mathematics, magic and mystery (Book, 1956) [WorldCat.org]

It's been half a century since Martin Gardner's magic spell was first cast over the general public, thanks to two landmark events in the world of publishing: the appearance of his Mathematics, Magic and Mystery (Dover 1956), the first book for non-magicians to treat mathematical cards tricks in depth, and the launching of his long-running monthly "Mathematical Games" articles in Scientific American.
