...

Instructors' comments on new, 3rd, edition: "I LOVED the book. I've never seen anything like it, and I've reviewed a lot of genetics texts. The way that cases are presented throughout is extremely novel." "I am greatly pleased with the revisions. In my opinion, there is an increased clarity in the text (which will serve students well), and many welcomed updates based on cur

New Clinical Genetics, third edition by Andrew P. Read

This new, updated edition of New Clinical Genetics continues to offer the most innovative case-based approach to modern genetics. It is used worldwide as a textbook for medical students, and is also an essential guide for genetic counselors and clinical and nurse geneticists.

New Clinical Genetics, third edition - Scion Medical

This new, third edition provides an up-to-date examination of the psychiatric interview that reflects changes introduced in DSM-5, while continuing to recognize that describing symptoms and establishing a diagnosis should command only a portion of the clinician's attention, and that a patient's personal history must be elicited and character structure addressed in the clinical engagement.
