From gay marriage to contraception, stem-cell research to required celibacy for priests, Catholics today are struggling with the conflict between tradition and the Church's need to come to terms with modernity. In Not Less Than Everything, some of the best Catholic writers of our time, including Alice McDermott, Ron Hansen, Mary Gordon, Tobias Wolff, and Ann Patchett, share their personal accounts of people who have influenced the way they view the intersection of faith and culture.

the men and women who found great personal, spiritual, and intellectual strength to keep their faith while challenging the traditional church.

### **Not Less Than Everything, edited by Catherine Wolff, on**

...

The images Scripture gives us of heaven point to the realities that God has in store for his people. When we experience the realities that these symbols point to, we will find them more amazing, not less, than what human language could express. Deepest Longings. The fundamental essence of heaven is union with God.
