The religious sects and individuals that utilize prayer-based conversion to "cure" gay people of their affliction believe that homosexuality is a choice and that, with enough guidance, can be reversed. 3 The rejectionist philosophy asserts that homosexuals can be forgiven by God only after sincere efforts to repent for the sin of their sexual orientation.

### Homosexuality and Religion | SexInfo Online

We investigate whether individual and cultural religious beliefs influence behavior through micro (e.g., early age of first marriage) or macro (e.g., limits on women's mobility) processes, and we examine the role of religious diversity in shaping Muslims' sexual behaviors.

### Religion and Sexual Behaviors: Understanding the Influence ...

Overview. Sexual morality has varied greatly over time and between cultures. A society's sexual norms—standards of sexual conduct—can be linked to religious beliefs, or social and environmental conditions, or all of these. Sexuality and reproduction are fundamental elements in human interaction and societies worldwide. Furthermore, "sexual restriction" is one of the universals of culture ...

### Religion and sexuality - Wikipedia

Often made complicated, the connection between spirituality and sexuality is so much more simple than we make it. Spirituality is our connection to our spirit, to the non-physical aspects of self. We grow our spirituality to grow as an eternal being, as a life-force beyond this physical plane. Our spirituality gives us a purpose for [...]

### Overcoming Religious Sexual Shame | Psychology Today

Viewing sexuality as a moral failing, an individual choice, a private family matter, a religious issue, a social concern or a political problem is not an option for a modern, civilized, democratic, and secular country. Public health, developmental and human rights perspectives are required for enlightened approaches to sexual health.

### Social determinants of sexual health

In your own story, you experienced those things firsthand before you ever thought about or experienced the act of intercourse. In those moments when you first began to understand your own sexual identity, it snuck up on you and surprised you. There was likely no internal battle, no great wrestling, no real conscious choice to be made.

### Yes, Homosexuality Absolutely Is a Choice | HuffPost

These data suggest that when conflict between religion and sexuality results in rejection of either spiritual beliefs or sexual orientation, consequences may include internalized homonegativity, depression, or reduced self-esteem for LGB individuals.

### The Role of Religion and Stress in Sexual Identity and ...

Religion can be a central part of one's identity. The word religion comes from a Latin word that means "to tie or bind together." Modern dictionaries define religion as "an organized system of beliefs and rituals centering on a supernatural being or beings."

### Religion and Identity | Facing History and Ourselves

LGBT individuals' relationship with faith may be complicated by non-affirming religious beliefs but an accepting spiritual community can provide validation. Religion and spirituality can provide a strong anchor in many people's lives, and the benefits of spirituality range from having a sense of community to fostering a desire to better oneself. In fact, in general research has shown that faith is associated with greater positive mental well-being. 1,2 For example, a recent Gallup poll ...

### Why is sexuality such a big deal for the church?

Christian voices about sexuality struggle to make themselves heard in the midst of heated culture wars. For example, the USA seems to be moving away gradually from cultural conservatism (with its social or religious permissions and prohibitions) to a growing acceptance that sexuality is a personal lifestyle-choice.

### Christianity and Sexuality - Henry Center

Many religions emphasize control over one's sex drive and sexual desire, or dictate the times or conditions in which sexuality can be expressed. Whether or not sex before marriage, the use of birth control, polyamorous relationships, or abortion are deemed acceptable, is often a matter of religious belief. Sexuality and the Media
