### **Robotech: The Shadow Chronicles | RPG | RPGGeek**

The "Shadow Chronicles" uses a combination of computer-generated imaging (CGI) and traditional cell-shading. Mecha, warships, and large-scale environments are rendered by computer. To keep consistency with the feel of the main Robotech series, however, Harmony Gold intentionally made use of cell shading to create faces and features. The result is impressive and reasonably familiar if not entirely consistent with the original footage.

### **Review of Robotech: The Shadow Chronicles RPG - RPGnet RPG ...**

The new Robotech RPG was bound to be a source of controversy. Many Robotech fans were unhappy that Harmony Gold went with Palladium, and many rpg.net regulars have, at best, a love/hate relationship with Palladium; while it is common to applaud Palladium for its settings and ideas, its systems (now 25 years old in many cases) are the target of ...
