The law of slavery Sources of slavery law By definition slavery must be sanctioned by the society in which it exists, and such approval is most easily expressed in written norms or laws. Thus it is not accidental that even the briefest code of a relatively uncomplicated slave-owning society was likely to contain at least a few articles on slavery.

In The Universal Law of Slavery, Fitzhugh argues that slavery provides everything necessary for life and that the slave is unable to survive in a free world because he is lazy, and cannot compete with the intelligent European white race. He states that "The negro slaves of the South are the happiest, and in some sense, the freest people in the ...

## **Slavery in the United States - Wikipedia**

Slavery and the Law Browse Collection About Laws protect the rights of a nation's citizens, but with regards to American slavery, were used as a tool to advance both pro- and anti-slavery efforts. Our understanding of the arc of American slavery and its aftermath is informed, in part, by the push and pull of laws that mark shifting social, political and economic environments.
