As most of you know, carp ( karp) has a special place on the table during Christmas in Poland. It is one of the main dishes and you just simply have to have it. But getting from river (or carp farm) to table is not so simple. As the tradition goes, the Christmas carp must first swim in the family bathtub for at least a day or two before being killed, cleaned and prepared.

### Carp in the bathtub? | Polish Language Blog

Carp is a holiday mainstay in several central European nations. Traditionally kept in the bathtub, the fish can become a sort of family pet for a day or two, before becoming dinner. Here, a street...
