6 reviews of M & A Auto Body "After visiting a couple body shops along Marine Ave & Rosecrans I thought the days of old-school honest auto services were over. That was until I visited Alex at M&A Auto Body, he restored my faith in business. My dad was in the car business when I was younger and he used to have many friends in in the body shop business, most of which have moved away or retired.

2) Repair with fiberglass - Long strand fiberglass repair gel, unlike body filler, creates a structural repair that is nearly as strong as steel. Mix the gel and hardener, and press into the damaged area from behind. Check with the package, but it typically starts to harden in about 15 minutes and can be sanded in less than an hour.
