Credit: Rob Elliott/Getty Images. My dream was to write one book.A real, published book. For years, that was my vision of success. It took a long apprenticeship, but it happened.I sold my first book at age 25. And then, almost immediately, it became clear in my mind that — you know what? — real success is writing a bestselling book.

Software development is messy. So many wrong turns, typos to fix, quick hacks and kludges to correct later, off-by-one errors you find late in the process. With version control, you have a pristine record of every wrong turn and correction made during the process of creating the "perfect" final product—a patch ready to submit upstream. Like the outtakes from movies, they are a little ...
