Minecraft: The Lost Journals - Official Minecraft Wiki

"The Lost Journal" was only a 2-star for me until the twist at the end bumped it up a notch. Ninety per cent of the book is like a National Treasure flashback, but the ending really is a nice touch. It's worth the read, especially if you're a big National Treasure fan.

Lessons from Stepfamilies | Psychology Today

Commitment and dedication are important in a relationship. The same apparently goes for journaling. Whether it is a travel journal or a book journal or a daily journal that you are planning to write, it is important to make sure you have a routine already set up for this. You may also see informative writing examples.
