children of all ages. About The Planet Gods

The Planet Gods by Jacqueline Mitton: 9781426304484 ...

The Maya believed that the Earth was the center of all things, fixed and immovable. The stars, moons, sun, and planets were gods; their movements were interpreted as gods traveling between the Earth, the underworld, and other celestial destinations. These gods were greatly involved in human affairs, and so their movements were watched closely.
