"The weaponization of tariffs — the increase of threats on our economy, on our farmers, our manufacturers, our consumers — is going to hurt our country.

Trump 'weaponization of tariffs' going to hurt US: Chamber ...

In this Strategic Trends chapter, Jack Thompson considers the consequences of the Trump administration's new approach to trade policy. He notes that the current system is, in some respects, unfair to the United States and harmful to millions of Americans. He also observes that the United States is powerful enough to extract trade concessions from all of its trading partners, and that there ...
