The Toyota HiAce (Japanese: ハイエース, Toyota Haiēsu) (pronounced as "High Ace") is a light commercial van produced by the Japanese automobile manufacturer Toyota.First launched in October 1967, the HiAce has since been available in a wide range of body configurations, including a minivan/MPV, minibus, panel van, crew van, pickup truck, taxi and an ambulance.

Toyota HiAce - Wikipedia

For the first time since the HiAce was launched in 1968 (more than half a century ago!) occupants are not sitting above the engine with their feet ahead of the front wheels. The new short-bonnet design (well, new for HiAce but well established amongst rivals) finally moves the front wheels ahead of the occupants, along with the engine which is also now ahead of both.
