## **Viking Age Archaeology In Britain**

While that was true of many Vikings, archaeologists have uncovered evidence of a huge army encampment on English soil in Lincolnshire in the 9th century that was established to conquer England. The camp, set up for the winter of 872 to 873, was home to thousands of Vikings, says a press release on the Sheffield University website.

raiding, colonizing, conquest and trading throughout Europe, and reached North America. It followed the Migration Period and the Germanic Iron Age.

## **Viking Age - Wikipedia**

A Viking helmet unearthed in Yarm in the 1950s is the first to ever be found in Britain, according to new research. Found in Chapel Yard by workmen digging trenches for new sewerage pipes, the corroded, damaged artefact is a rare, 10th century Anglo-Scandinavian helmet. A research project led by Dr Chris Caple also found it is only the second near-complete Viking helmet found in the world.
