Windfall The Booming Business Of

"The idea that, when it comes to climate change, the meaningful divide isn't between believers and doubters but winners and losers is at the heart of McKenzie Funk's immersive and startling Windfall: The Booming Business of Global Warming." Mother Jones: "Most writings on climate change are tedious or polemical. This fabulous book is neither.

Windfall: The Booming Business of Global Warming: Funk ...

In Windfall: The Booming Business of Global Warming, author McKenzie Funk shows us how economic opportunities can be found in all negative aspects of climate change. He states "the climate is changing faster than we are [but]... Life will go on. Before it does, we should all make sure we understand the reality." These are true statements.
