World War II, conflict that involved virtually every part of the world during 1939–45. The main combatants were the Axis powers (Germany, Italy, and Japan) and the Allies (France, Great Britain, the United States, the Soviet Union, and China). It was the bloodiest conflict, as well as the largest war, in history.

World War II | Facts, Summary, History, Dates, Combatants ...

World War II (WWII or WW2), also known as the Second World War, was a global war that lasted from 1939 to 1945. It involved the vast majority of the world's countries—including all the great powers—forming two opposing military alliances: the Allies and the Axis. In a state of total war, directly involving more than 100 million personnel from more than 30 countries, the major participants ...

World War II - Wikipedia

Admirals' War: World War II at Sea (AW) is a board game recreation of the strategic naval situation in WWII from the early months of the Atlantic war to the decisive Battle of the Philippine Sea in late 1944. All the major combat ships in the Axis and Allied navies are portrayed in the game in a simple (but not simplistic) simulation of the war on a strategic level with most of the tactical details represented by simple game mechanics.
